

# Annual Plan

Autumn 2018 to Summer 2019

Class J/I

Year Four

Teacher Mrs Whitewood/Miss Donnelly

	Science	Technology	R.E.	History	Geography	Art	Music	P.E.
--	---------	------------	------	---------	-----------	-----	-------	------

Autumn

States of Matter

Solid, Liquids and Gases- Comparing and grouping materials. Investigating properties and applying. Heating and Cooling Solidifying, melting and freezing. Working scientifically- Investigation and results. Changing State- Evaporation and Condensation Linking to Water Cycle

Electricity

Identifying common appliances that run on electricity. Where does electrify come from? Sustainability and safety. Constructing simple circuits. Identifying and naming parts. Drawing simple pictorial representations What is a complete and incomplete circuit? What happens when we add another

Computing

E-safety - CyberPass- online course

Online images and photo editing.

D.T/ F.T

L.I: To follow a recipe to make the staple food of a poor Roman family.

L.I: To design sewing for their calendar and learn sewing stitches to be used.

L.I: To continue with sewing.

L.I: To complete sewing for calendars.

The Way, The Truth and The Life

The Bible

L.I: To know that the Bible is an account of God's relationship with his people
