

January 2021 - Lockdown 2, Week 4!

Year 5 had 'Wellbeing Afternoon' this week to remind us all of what a great job we are doing and to reassure us all that at some point we will get to do all the things we love (and miss) again!

We had a choice of activities we could complete at home or we could spend the time doing what makes us feel happy and brave! Here is some of our work and our comments to the teachers.

I have been colouring this afternoon. I have also been jumping on the trampoline because it makes me happy. I watched the you tube videos and they were lovely. I had hugs with my mum and sung some songs.

Today I have learnt to be kind and reflect on the positive never negative I know now that there are many other ways to show love like sending a letter No my week hasn't been the best but I have done things that make me happy and that's all that matters

Hi Miss thanks for the lovely afternoon I really enjoyed it. I played on my hoverboard which at first I wasn't good at and got frustrated but now I'm good and its my favourite thing. I also wrote a letter to my Great Nan because I miss her and haven't seen her in ages. I also wrote some of my book I've been writing recently, it's about a wizard. :)

Yes I enjoyed it so much thank you

Thank you and I did enjoy your wellbeing afternoon.

I have been doing lots of colouring in during lockdown. It makes me feel relaxed and peaceful. I like doing colourful pictures. I have attached some photos of my pictures.

I love spending time with my dog Ted he makes me happy.

I like flipping because it is really fun and it keeps me entertained in lockdown. It took me about a month to learn this. Now I'm learning to do it on ground. 😊

This afternoon I choose to do art. I watched a video and learnt how to draw these

I liked sewing this afternoon it was a break from other things we normally do in school I also found it quite relaxing

Hi Miss Dineen & Mrs Williams Am doing sewing this afternoon. I finished my house last week and started my new one yesterday. I really love sewing.
