

STORY TIME MAPPING

At St. Mary's, all pupils are read to by an adult every day. This is an opportunity for pupils to be exposed to a range of texts, genres and vocabulary, immersing themselves in a text that they might not otherwise be able to access at their current reading level. This is revised annually and children are often able to choose which story they would like to hear based on a topic of interest. Children also bring in 'Birthday Books' on their birthday to share with the class.
